Audience Response

Perion

“Lior’s lecture was inspiring, empowering, and taught us that ‘the sky’s the limit’ is not just an empty phrase.”

Rothy Bitterman, Perion

"Crowdsourcing is the base line of all sharing economy. Lior is doing outstanding job in providing the experience of how does it really work and the power of crowdsourcing."

Uri Levin, Waze co-founder and former president

“I invited Lior to present to our Microsoft Europe leadership team. They all LOVED IT! It was refreshing, relevant and most insightful. The session worked very well for a diverse audience and feedback was excellent”

Sally Katz–Atzmoni, Microsoft

“I used to think it was hard to match Malcolm Gladwell's skill of presenting complex subjects easily, but Lior Zoref's matches and at times exceeds it.”

Vova Soroka, IBM

“The internet has become humanity’s nervous system. In Mindsharing, Lior Zoref offers us powerful insights into how this will change the way we make our decisions in every aspect of our lives.”
